

**WILL SERVICE TO HELP
MACMILLAN CANCER
SUPPORT
DURING NOVEMBER 2011**

Stewart & Watson have joined forces with Macmillan Cancer Support to exclusively offer a will-writing service during November 2011.

For the preparation of a simple will, we will waive our fees and instead, Clients will be asked to make a donation to Macmillan Cancer Support.

97% of Macmillan's funding comes from voluntary donations, over a third of which is a gift in wills. Without these vital donations the development of cancer support services across the UK, would not be possible.

Stewart & Watson Partner, Jennifer Burnett, says, "Stewart & Watson are very proud to have been asked to use our legal expertise to help Macmillan Cancer Support. The money raised from this will-writing initiative will help Macmillan to provide vital support services to people affected by cancer."

Sheryl Wootton at Macmillan says "We are extremely grateful to Stewart & Watson for supporting Macmillan through this initiative. Whether people choose to donate now, in their wills or both, their support is vital to ensuring that more services will be available to future generations of people affected by cancer in the North East".

To take advantage of Stewart & Watson's will-writing offer, please contact your nearest Stewart & Watson office, located throughout the North East.
